Subject: Notification on Trade Partner Appointment - New Logistic Park Operator, Air India SATS Airport Services Pvt. Ltd.

Dear Trade Partners,

Attention is invited to BLR Cargo Trade fraternity at Kempegowda International Airport, Bengaluru, Devanahalli, (Airport).

Bangalore International Airport Limited (“BIAL”), has been developing, operating and managing the Airport.

BIAL is committed in establishing this airport as one of best in class and pioneer in terms of quality, efficiency and to set a benchmark for the future commercial development of Indian airports. BLR Airport is one of the fastest-growing airports in the world and is set to get bigger and better. With air connectivity to all parts of the world and across the country, BLR Airport is transforming into a new gateway to India.

BLR Airport is the third busiest airport in India and processed 439,524 MT (Four Lakh Thirty-Nine Thousand Five Hundred and Twenty-Four metric tonnes) of cargo in the Financial Year 2023-24. Recognized for high level of service quality and operational efficiency, the Airport is acclaimed for enabling fast and seamless processing of cargo.

On 1st Apr 2019, BIAL has appointed Cargo Service Center India, Pvt. Ltd (CSC) to manage and operate the Cargo Village premises at the airport. This on-airport facility served as non-bonded and bonded warehousing facility and provided various value-added service to the trade. The Term of the Agreement with CSC is coming to end on 31st March 2025 and **CSC Cargo Village facility will cease its operations on 31st March 2025, 23:59 hrs.**

Please be informed that BIAL will be taking over the Cargo Village premises for its business requirements from 01st Apr 2025. No further extension will be provided to CSC or its occupants neither have permission to enter the premises nor have permission to operate any business in the said premises.

With an aim to provide state-of-the-art infrastructure and efficient airport services to support trade and promote new business developments, BIAL has appointed a new service provider **Air India SATS Airport Services Pvt. Ltd**, who is currently in pursuit of developing a new Grade A world class warehousing facility, BLR Logistic Park (Near Kempegowda International Airport Halt Railway station). **This new facility is proposed to go live by 31st Jan 2025.**

This facility will operate with a total buildup area of 369,967 Sqft. and will house General warehousing space spread across two operation levels, a Dedicated Custom Bonded Warehouse and an office block open to the BLR Cargo fraternity.

You may connect with the SPOC of both service providers accordingly for transition:
