Circular No -ACSBLR/KLSPL/005

Subject: Training Programme for the Domestic Air Cargo Community System (CargobyBLR/ACS) at BLR Airport

Dear Valued Partners,

This circular is issued with reference to Circular No. ACSBLR/KLSPL/001 and the planned implementation of the Air Cargo Community System (CargobyBLR/ACS), for domestic cargo operations at BLR Airport.

To support a smooth transition to the new platform, Bengaluru International Airport Limited (BIAL), in association with Kale Logistics Solutions Private Limited (KLSPL), will conduct structured training sessions for all relevant stakeholders. These sessions may be delivered either in a classroom format or online and will include hands-on guidance on using the CargobyBLR/ACS platform.

The training sessions will commence on **10th Aug 2026** and will cover the key functionalities and operational workflows available on the CargobyBLR platform.

Training sessions will be conducted separately for:

- Agents
- Airlines

The detailed session schedule is provided in **Annexure B**.

Registration links and joining instructions will be shared separately with the nominated participants through email.

Minimum System Requirements-

To ensure a smooth training experience, participants are requested to have the following system and access requirements in place before joining the physical or online session:

- **Device:** Laptop or desktop computer with a minimum screen resolution of 1366 × 768.
- **Microsoft Teams access:** Desktop application or a supported web browser.
- **Internet connectivity:** Stable connection with a minimum speed of 2 Mbps.
- **Supported browsers:** Google Chrome Version 84 or above, or Mozilla Firefox Version 84 or above.

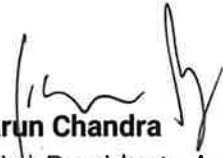

The training sessions will include practical demonstrations and hands-on exercises covering the key business processes available on the CargoByBLR platform. Stakeholders are encouraged to nominate the relevant operational users and ensure active participation in the training sessions to support readiness ahead of the go live.

For any clarification or assistance, please contact:
